

Dear Sir or Madam,

On behalf of the Chairwoman of the Scientific Committee, prof. Katarzyna Ognik, I would like to kindly ask you to consider the possibility of sponsoring or co-financing the event which is the **XXXIV International Poultry Symposium of PB WPSA "Science Practice - Practice Science"**, which will be held on September 16-18, 2024 at the University of Life Sciences in Lublin.

The main goal of the Symposium is to gather scientists, breeders, veterinarians, producers and practitioners related to broadly understood poultry breeding and production. The symposium also gives students and young scientists the opportunity to present their research results to a wide audience from academia, research institutes and practitioners as part of the Jerzy Będkowski Young Researchers Competition. The discussion panel "Current trends and challenges in Polish and European poultry production" held as part of the Symposium is also an excellent platform for exchanging experiences and addressing the most critical issues. During this event, in addition to presenting the latest research trends in poultry, we will discuss and popularize important issues in the field of poultry breeding and breeding among scientists, representatives of the poultry industry, media and influence groups interested in animal production.

The symposium is dedicated to scientists and practitioners interested in breeding and rearing of commercial birds, including reproduction, physiology, incubation, as well as nutrition, assessment of the quality and safety of food of poultry origin, and prevention in poultry production.

We expect large participation of delegates from abroad and from Poland.

We strongly encourage practitioners, including breeders, veterinarians and processors, to take part in the Symposium, because the first day of the Symposium, which is scheduled at the Congress Center of the University of Life Sciences in Lublin, will be devoted especially to practical aspects in poultry breeding and production.

Moreover, on this day there will be Laudations for awarding the Honorary Membership of WPSA to scientists who have made particular contributions to poultry farming and the WPSA Association:

prof. Antoni Brodacki - University of Life Sciences in Lublin

prof. Jan Jankowski - University of Warmia and Mazury in Olsztyn

prof. Emilia Mróz - University of Warmia and Mazury in Olsztyn

Dr hab. Henryk Malec – Poultry Hatching Plant "Malec"

Dr. Ryszard Gilewski - AVICONS

The XXXIV International Poultry Symposium of PB WPSA, apart from the exchange of scientific and practical experiences, will also provide participants with cultural events related to the Lublin region.

The WPSA Symposium website (<https://up.lublin.pl/wpsa2024/#partnerzy>) contains information on how to become a partner/sponsor.

PARTNERSHIP OPTIONS:

Platinum partner

- Receiving the Platinum Symposium Partner statuette
- Funding amount of at least 20,000 PLN.
- Providing two invitations to the Symposium for the Partner's representatives
- Participation of the Partner's representative in the discussion panel during the Symposium
- Placing the logo on the Symposium website, in the Symposium program, in the book of abstracts, on conference bags
- Placing the Partner's advertisement (roll-up) in the coffee zone
- Placing the Partner's promotional materials in participants' conference bags
- Placing the Partner's advertisement in the publication summarizing the Symposium

Gold partner

- Receiving the Golden Partner of the Symposium statuette
- Funding amount: 10,000 – 20,000 PLN.
- Providing one invitation to the Symposium for the Partner's representative
- Participation of the Partner's representative in the discussion panel during the Symposium
- Placing the logo on the Symposium website, in the Symposium program, in the book of abstracts, on conference bags
- Placing the Partner's advertisement (roll-up) in the coffee zone
- Placing the Partner's promotional materials in participants' conference bags
- Placing the Partner's advertisement in the publication summarizing the Symposium

Silver partner

- Receiving the Silver Partner of the Symposium statuette
- Funding amount 8 000 -10 000 PLN.
- Participation of the Partner's representative in the discussion panel during the Symposium
- Placing the logo on the Symposium website, in the Symposium program, in the book of abstracts, on conference bags
- Placing the Partner's advertisement (roll-up) in the coffee zone
- Placing the Partner's promotional materials in participants' conference bags
- Placing the Partner's advertisement in the publication summarizing the Symposium

Other partners

- Funding amount below 8,000 PLN.
- Participation of the Partner's representative in the discussion panel during the Symposium
- Placing the logo on the Symposium website, in the Symposium program, in the book of abstracts, on conference bags
- Placing the Partner's advertisement (roll-up) in the coffee zone
- Placing the Partner's promotional materials in participants' conference bags
- Placing the Partner's advertisement in the publication summarizing the Symposium

Details of donations to support the event:

University of Life Sciences in Lublin

Akademicka 13

20-950 Lublin

NIP 712 010 37 75

26 1240 5497 1111 0011 3333 1849

Bank Pekao S.A. o/ Lublin Krakowskie Przedmieście 72, 20-076 Lublin

Transfer title:

- in the case of Partner/Donor: "WPSA 2024 / Partner/Donor details - donation - support for the symposium"
- in the case of the Sponsor: "WPSA 2024 / Sponsor's details - symposium support"

IBAN/SWIFT: BREXPLW

Yours faithfully,
Chairwoman of the Scientific Committee
